## Pre-Prep Dates

Dear Parents

In 2022 we are happy to inform you that our school has organised several events to assist you with information about transitioning your children into Prep at Karalee State School in 2023.

### Enrolment

Enrolment for 2023 open at the beginning of Term Two. Please go to the front office to pick up your enrolment pack. **Remember original birth certificates and proof of address (e.g. council rates notice, rental agreement) must be sighted when enrolling.**

### Pre-Prep Parent Information

During the COVID restrictions we have developed a set of information videos for Prep parents to access from our school website. These videos replace the Parent Information evening that was traditionally held in October. Our feedback was that it was easier for families to access, so we will continue to provide these instead of the traditional Parent Information Evening. These videos will be updated in Term 3 and be available through the following web link: <https://karaleess.eq.edu.au/enrolments/pre-prep>

### Pre-Prep Morning

Pre-Prep students are invited to come and spend a morning working with the Prep teachers while their parents spend time with the Principal and Deputy Principal. This year we will be running three different mornings for our Pre-Prep students and parents.

The three sessions will be as follows:

- 9.30am-10.30am Wednesday 12 October - C&K Kindy children.
- 9.30am-10.30am Wednesday 19 October - Karalee Kindergarten and Early Years Learning children.
- 9.30am-10.30am Wednesday 26 October – 1234Kids and other Early Learning Centres

**All parents will be required to sign in and follow directions relating to COVID safe procedures.**

### Pre-Prep Parent Conversations with the Principal

The school will be conducting conversations with parents between **Tuesday 8 to Thursday 10 November** and **Tuesday 15 November to Thursday 17 November**. This will provide you with the opportunity to convey any information that you believe is important for us to know about your child and allows us to get to know their needs before they arrive at school. If you have any **legal or medical documents** pertaining to your child you will need to bring them to the interview.

Please contact the school on **3294 5333** to book a time for you and your child to attend an interview.

Yours sincerely

Megan Ries  
Principal
