Karalee OSHC is an Accredited centre that complies with the Child Care Act 2002 and Child Care Regulation 2003.

Our approach to Outside School Hours Care is to provide a high quality care and environment that is safe and gives children the opportunity to learn and play. Before School Care, After School Care and Vacation Care programs and activities are aligned to build Strong People, Strong Families and Strong Communities.

Our service offers a wide range of fun, stimulating and appropriate programs that reflect real world experiences and home settings. This helps encourage a sense of community amongst the children and allows your child to practice social skills in a supported caring environment.
