### Our school initiatives are showing substantial progress toward our targets

After reviewing our 2017 *Investing for Success* agreement, it is clear that we have made progress toward our targeted student outcomes. We will continue to focus on maximising the benefits of this funding for our students, and adjust our initiatives as needed to ensure every student succeeds.

Initiatives implemented included:

- Providing ongoing professional development to teachers in Guided Reading and Writing; including mentoring and coaching opportunities
- Providing professional development and coaching to deepen teachers' understandings of the Australian Curriculum: mathematics learning area and providing targeted and scaffolded instruction to secure highly effective first teaching of essential mathematical concepts and skills in every classroom
- Development of teacher knowledge and understanding of the P-10 Australian Curriculum content descriptions and achievement standards by designing and supporting processes for robust intra-school and inter-school moderation
- Providing focused and intensive teaching targeted at 'C' students in order to improve the quality of their demonstrations of learning against the relevant year-level achievement standard
- Providing focused and intensive teaching for students requiring additional support to demonstrate achievement against the year-level achievement standards
