INTERNET ACCESS AGREEMENT – PARENTS 2014

Dear Parent/Guardian,

To comply with Education Queensland Regulations I ask parents to sign the Internet Agreement below and return to your child's teacher as soon as possible.

I understand that the Internet can provide students with valuable learning experiences.

I also understand that it gives access to information on computers around the world; that the school cannot control what is on those computers; and that a very small part of that information can be illegal, dangerous or offensive.

I accept that, while teachers will always exercise their duty of care, protection against exposure to harmful information should depend finally upon responsible use by students.

I believe _____ (Name of student) understands this responsibility, and I hereby give my permission for him/her to access the Internet under the school rules. I understand that students breaking these rules will be subject to appropriate action by the school. This may include loss of Internet access for some time.

I also give my permission for _____ (Student's Name) school work to be published on the internet. This could be his/her writing, art, personal photo, diagrams etc.

NOTES TO TEACHERS

1. Internet Access Agreement

1.1 Teachers should ensure that their students understand the Internet Access Agreement (see paragraph 2 in the Schedule section) before it goes to their parents or guardians. In particular, students should be able to give an example of materials which would be illegal, dangerous or offensive. Illegal, dangerous or offensive materials which have been made available through the Internet include instructions for picking locks to commit crimes, unsafe instructions for making explosives, and racist jokes.

1.2 The wording on the sample agreement (refer to the agreement in the Schedule section) may need to be altered for younger students.

Teachers to keep the original in their classrooms in their student file.

When new students enrol during the year teachers are to ensure that an access agreement is completed.
